

## Custom Portable Professional Security Desk

Doublewide, Customizable, Electronics Ready

The Custom Portable Professional Security Desk is made to accommodate more staff and offer more workspace and storage. It can be designed to fit in with the surrounding decor or stand out with branding and signage. Interchangeable panels can be customized with 600+ laminate looks including fabric, stone, patterns, wood, and more. Panels can also be produced with custom artwork.

Laminate materials need to be fully protected from outdoor elements.

Please note the Custom Portable Professional Security Desk should never be left unattended. We do not recommend this to be used outdoors unprotected.
