## White Professional Security Desk

Doublewide | Modern Appearance | LED Compatible

Twice the size of our Standard Podium, our White Professional Security Desk has plenty of storage space. Its stainless steel accents and curved design (the front panel is concave) give it a modern and professional look that's great for upscale locations. This professional valet kiosk also features a stainless steel transaction counter and the kick plate conceals the casters from view. A tip box is also included in the right drawer.

The optional integrated LED kit not only lights the front panel of the desk giving it a cool nighttime vibe, but also lights up the white professional security desk's working surface and storage area below improving visibility for your staff. Each LED kit includes everything you need to operate:
